

# Children In History

## Worksheet 1

# The Bell and the Bushrangers

Instructions: Imagine you are Sarah or James.

1. You are to complete this letter to your cousin in the city to tell of life on the gold-fields and your recent adventure. If you are unsure of any details you may re-read the story.
2. You are to make a pencil sketch of your cottage to include in the letter.

Dear \_\_\_\_\_,

It is now more than a year since we arrived here at \_\_\_\_\_.

Our life here is very different from our life in the city. If you were here you would be surprised to look about you and see \_\_\_\_\_

The town has grown since we arrived and the main street now has a number of stores including \_\_\_\_\_

\_\_\_\_\_. But our favourite store is \_\_\_\_\_.

You will not believe the scary adventure we had last week. It began when \_\_\_\_\_

---

---

Your cousin,

\_\_\_\_\_

P.S. I made this sketch of our cottage for you. It is much smaller than our last house but is quite cosy and already we have a small garden. Father made the picket fence himself.
