Research Reflect Report

RESEARCH: Individual activity

Use the Background Information and read the sections on Everyday life, School in 1915 and The Era of the Steam Trains. Make very brief notes.

REFLECT: Small group or whole class discussion.

You do not need to write anything for this section, but you are to use the information you found in your research in discussing these questions

1. Think about the differences between children's life in 1915 and children at school now. If you could bring a child from 1915 to your time what five things they would find most surprising?
2. If you suddenly found yourself in the world of the children in *Runaway* what would be one thing you would enjoy doing?
3. What would be the hardest thing for you to get used to if you were taken back to live in 1915?

REPORT: Individual activity
