

Worksheet 2

The Bread Thief

Holiday Fun

'Jake and his best friend Scott could be skateboarding, or riding their bikes, anything would be better than being stuck in here selling bread to customers.'

Jake makes it clear in the story 'The Bread Thief' that he doesn't really want to spend his holiday helping out in Dad's bread shop.

List ten things that you like to do when you are on holidays:

Write a story using the topic '***My Dream Holiday***'.

It could be anywhere in the world you wish to visit.

Here are some examples: Disneyland, A Tropical Beach, The Moon, A Rainforest, Inside the Earth

Make it as exciting as you can and remember; money is no object!
