

## PROCEDURE TEXT #1: Rainbow Fruit Kebabs

### You will need:

- a small knife
- 10 wooden skewers
- a tray

### Ingredients:

1 cup of strawberries

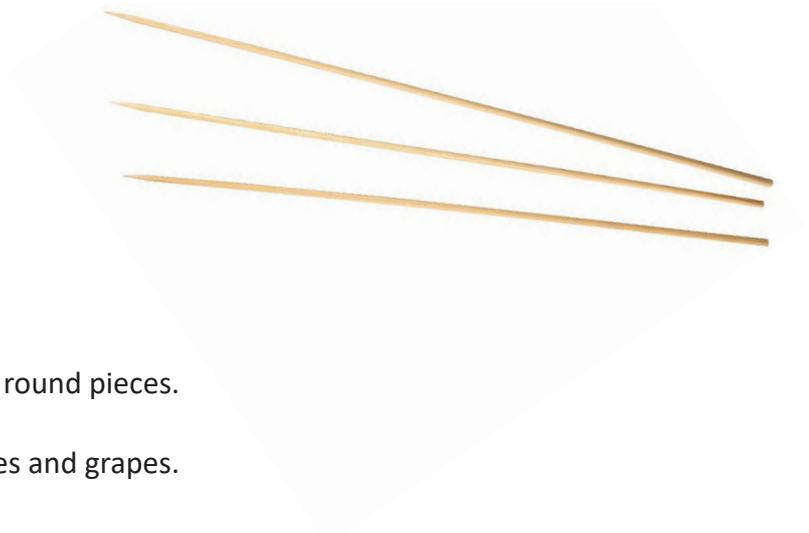

1 mandarin

1 banana

1 small bunch of green grapes

1 cup of blueberries

1 small bunch of red grapes

### What to do:

Step 1: Ask an adult to cut the banana into ten round pieces.

Step 2: Remove the stems from the strawberries and grapes.

Step 3: Peel the mandarin and separate the pieces.

Step 4: Hold a wooden skewer in one hand. Gently thread one piece of each fruit onto the skewer in this order: *strawberry, mandarin, banana, green grape, blueberry, red grape.*

Step 5: Repeat the order with each of the wooden skewers.

Step 6: Place the fruit kebabs on the tray and serve.

1. The text says you need an adult to help you

thread the fruit onto the skewers.

peel the mandarin and separate the pieces.

take the stems off the strawberries and grapes.

cut the banana into ten round pieces.

2. To make Rainbow Fruit Kebabs, you need one cup each of

green grapes and red grapes.

mandarins and bananas.

strawberries and blueberries.

strawberries and green grapes.

3. The first fruit you need to thread onto the wooden skewer is

a strawberry.

a blueberry.

a piece of banana.

a red grape.

4. What should you do after making the first fruit kebab?

place it on a tray and serve.

take the grapes off the stems.

repeat the order with the rest of the skewers.

put it in the fridge.

5. Why does Step 4 tell us the order of the fruit to thread onto the skewer?

to remind us what fruit to use.

to make it look like a rainbow.

to put it from hardest to softest.

to put it in alphabetical order.

6. *Serve with vanilla yoghurt as a dipping sauce.*
