First Aid Kit

'Amazingly, nobody was hurt too badly, just lots of cuts, bumps and bruises and heaps of bleeding noses. But Ben Olsen's arm was definitely broken. It had this really weird bend in it.'

Imagine you have been assigned the responsibility of creating a **First Aid Kit** for all school buses in your town.

In the box below, draw at least **10 items** that you would include in the kit and the **reasons** why you would need each item.
