

Worksheet 1

The Bogeyman

Sequencing

Using the numbers 1-6, order the following events as they happened in the story.

Tom promised he would bring back some chocolate pudding for the bogeyman and his wife.

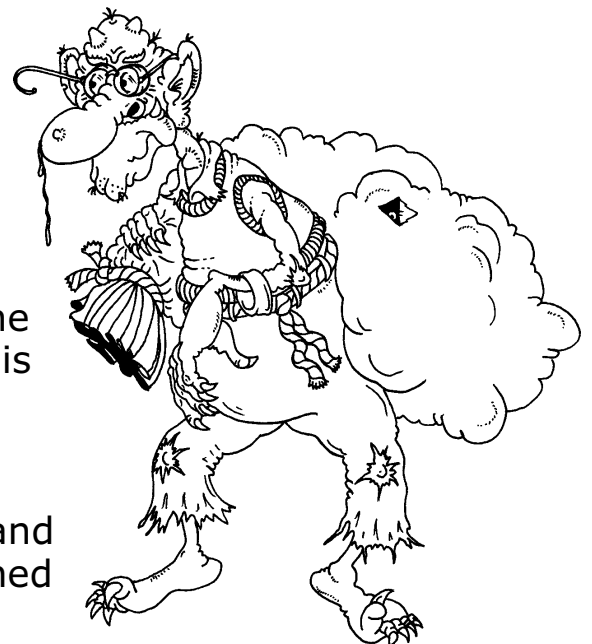

Tom was a very naughty boy and his mother told him the bogeyman would get him.

The bogeyman captured Tom again and took him back home to his wife. They were very angry with him for lying to them.

While the bogeyman was cooking the bone, Tom escaped and never told lies or misbehaved again.

One night when Tom was being disobedient the bogeyman appeared and stuffed him into his bag.

Tom used a large bone to trick the bogeyman into thinking it was his leg.

Design a storymap!

On another piece of paper, draw a grid and illustrate the above events as they happened in the story (like a comic strip).
