

Worksheet 1

There's a Monster at the Window

Scary Sights and Sounds

In the story, Kate is scared by what turns out to be a nothing but a bedsheet on the clothesline.

Many children are scared by simple things, like noises in old houses, or shadows on walls, or of course bad dreams.

Answer the following questions about things that have really scared you.

1. Have you ever heard strange noises in the night that gave you a fright? Write about one. What was it?

2. Have you had a scary nightmare? Write about one.

3. What else frightens you? Write about it.
